

Expression of Interest for Tools & Equipment Distribution in centres under PM-Vishwakarma Scheme

The EOI is published to invite manufacturers and suppliers to collaborate for providing Tools & Equipment for Capital Goods Trade at Training Centres PAN India under the PM-Vishwakarma Scheme.

About CGSSC

Capital Goods & Strategic Skill Council (CGSSC) is a unique initiative to play proactive role and bridge the gap by creating a vibrant eco-system for quality training and skill development for the Capital Goods sector.

The Council has been promoted by Federation of Indian Chambers of Commerce and Industry (FICCI) and Department of Heavy industries (DHI), Government of India, with financial support by National Skill Development Corporation (NSDC). The supporting organizations include leading industry and industry associations representing both public and private sector.

About PM-Vishwakarma

PM-Vishwakarma is central scheme launched by Ministry of MSME to provide holistic and end-to-end support to artisans and craftsmen through access to collateral free credit, skill training and modern tools.

About the procurement of tools & equipment:

1. SCOPE OF WORK

- a. Supplier to quote for the equipment as per the specifications mentioned in the toolkit specification list.
- b. Suppliers will prepare a composite package of equipment as per the toolkit list.
- c. Suppliers will ensure delivery of equipment in a toolkit package form, to the Training Centre's implementing PM Vishwakarma as per the information shared by CGSSC.
- d. Supplier will be responsible for the delivery of toolkits to Training Centers as per the information (quantity, location) shared by CGSSC.
- e. Toolkits must be supplied within 2-3 days to the address of the Training Center as per the information shared by CGSSC.
- f. Suppliers shall undertake all necessary actions to ensure the satisfactory delivery of the Toolkits.
- g. Suppliers will share the dispatch and delivery status of toolkits with CGSSC on a daily basis. Format of this tracker shall be shared with the Supplier.

h. The specifications of the products are in Annexure 2

2. SUPPLIERS' RESPONSIBILITY

- a. Toolkits delivery to training centers implementing PM Vishwakarma as per the instructions shared by CGSSC.
- b. Suppliers to supply Toolkits to the Training Centers across India as and when required by CGSSC.
- c. Suppliers to ensure that packaging of toolkit is done in a manner that there is no breakage of the equipment.
- d. CGSSC, may, at its sole discretion, enter into a contract with one or more Service Providers.

3. PRICE AND PAYMENT TERMS

- a. The price of composite package of Toolkit will include GST but excluding transportation and packaging.
- b. Transportation and packaging charges to be quoted separately.
- c. The total cost of toolkit cannot exceed Rs. 15000/- including GST.
- d. The quality of the products needs to be to the best and repeat orders will be given to the vendors who have the Quality products delivered at best competitive price.
- e. The full payment shall be made to the Supplier upon successful delivery of the complete order to the satisfaction of CGSSC at the Training Center within the timeline.
- f. A proof of delivery must be maintained by Supplier and shared with CGSSC along with the copy of the PO.
- g. Payment shall be initiated concurrently with the submission of the invoice to CGSSC.
- h. Payment shall be made by CGSSC after receipt of a valid and correct and undisputed invoice raised to CGSSC. The Supplier shall send an invoice to CGSSC for payment after successful delivery of the Kits. Such invoice shall be accompanied by all relevant supporting documents substantiating/ demonstrating delivery of the Toolkits.
- i. The unit rate of toolkit to be provided will be inclusive of taxes (unless specified otherwise) and incidental expenses e.g., insurance, delivery charges, octroi, loading and unloading charges, etc.
- j. Subject to the terms hereof, the Supplier shall be deemed to have satisfied himself as to the correctness and sufficiency of the rates as mentioned, which shall, cover all its obligations under this Agreement.
- k. The Supplier acknowledges and agrees that CGSSC shall not be liable to pay any amount over and above the rates that are finalized.
- l. Unless specified otherwise, the Supplier shall be entirely responsible for all applicable taxes, duties, license fees, etc.
- m. All payments shall be made in Indian Rupees (INR) which shall also be the invoicing and accounting currency.
- n. No payment made by the CGSSC herein shall be deemed to constitute acceptance by CGSSC of the delivery or any part(s) thereof. All invoice payments shall be subject to certification by CGSSC's authorized

Capital Goods & Strategic Skill Council

representative. In the event that CGSSC disputes any invoice raised by the Supplier, CGSSC shall pay the undisputed portion thereof as per the terms of this Agreement and shall notify to the Supplier of the dispute/reasons for non-payment for the disputed portion of the invoice.

4. QUANTITY

- a. If the quantity as received by TC /or CGSSC is less than as required in the purchase order or any item is missing from the toolkit, TC/CGSSC may, at its option, either accept the delivery or return the toolkits at the expense of Supplier.
- b. TC / CGSSC shall not be liable for acceptance to take custody of toolkits delivered to it without any purchaser order.
- c. The delivery shall be accepted strictly at the place specified in the purchase order and within the time schedule mentioned in the Agreement.

5. COMPENSATION

- a. In case of non-delivery or delayed delivery, CGSSC reserves the right to ask the Supplier to compensate as determined by the CGSSC.
- b. CGSSC reserves the right to seek performance report from TC who receives the toolkits from the Supplier. In the event of an unsatisfactory performance report and/or a complaint by the Training Center regarding the quality or delivery of toolkit, items received are not found to be valid upon investigation, the Agreement may be terminated forthwith by CGSSC without any obligation for further payments to the Supplier, and CGSSC may also impose a penalty on the Supplier as decided by CGSSC.

6. TREATMENT OF REJECTED KITS

- a. If Kits supplied by the Supplier to TC / CGSSC do not meet the various specifications as mentioned in Annexure, all such toolkits will be treated as rejected toolkits ("Rejected Toolkits").
- b. The Rejected Toolkits shall be lifted from TC / CGSSC premises within (7) seven days from the date of intimation failing which, the same may be returned back by TC / CGSSC at Supplier's own risk and cost.
- c. As long as Rejected Toolkits are at TC / CGSSC premises, it shall be entirely at the Supplier's risk after informing to the Supplier and TC / CGSSC will have no responsibility for such Rejected Toolkits if they are lost or damaged in due course of time.
- d. Rejected Toolkits will not be supplied in any other location to CGSSC identified locations.

Armourer

Section A: Details of Tool Kit Items

Proposed Name	Image	Specifications
Hand levershearing		Manual Level Shearing Machine Blade Length: Min 450 mm; Cutting Map Sheet: Min 6 mm; Cutting Map Flat: Min 65x8 mm; Cutting Map Round: Min 12 mm With standard box accessories Make BOSCH/ Ralli wolf or Equivalent make Warranty: Min. One year
Oxy gas cutting torch		Heavy Duty Oxy gas cutting torch MOC: Brass Injector Mix Type, 460 mm, Cutting range 0-250mm Laser Welding Machine, With Nozzle Reputed standard make Warranty: Min. One year
Angle grinder		Electric Grinder Min. 670W, Disk Dia. 4 inch, Locking nut: M10, Min Rotational Speed 11000 RPM, Blade Size 100mm, With standard box accessories, Warranty: Min. One year
Digital Vernier Caliper		High precision digital Vernier Caliper CE/ISI marked. Type: Digital, Body: Stainless Steel, Display: LCD, Operating Temp.: 5-40 Deg C, Measuring Range: 150 mm, Least Count: 0.01mm, Accuracy: 0.02mm < 100mm, 0.03 mm for 100-150mm Supply: Battery Operated (Alkaline)

		Lithium Button cell, 1.5V ,180mAH)
Cuttingwheel		4" Cutting Wheel, Double Net, Suitablefor Cutting Stainless Steel and Metals Compatible with 4" Angle Grinder Qty: 1 Lot of 50 PiecesMake: Freeman/Tomahawk or Equivalent Make
Wire extension		4 Way Extension Board, 16A, 230VAC, 50Hz, with 16A Glass Fuse, Metal enclosure, Suitable Copper Cable, Individual Switching Control of 4 Outlets with LED Indicator Switches, Total Load : 2500KW Warranty: Min. One year
Safetyhelmet		Design: Hard shell made of impact-resistant materials like ABS or HDPE. Features: Adjustable suspension system, chin strap, ventilation holes. Reputed standard make
C Clamp		BIS/CE Certified CClamp MOC: Steel Size: 3 InchMake: Taparia/Stanley or Equivalent Make Warranty: Min. One year
Leathergloves		Leather Safety Gloves Heat, Cut, Wear & TearResistant, Anti-Impact CoatedSize: Free Size Reputed standard make Warranty: Min. One year
Polishing buff wheel		4 Inch Buffing Wheel Pad, Non-Woven FabricThickness: 5 mm Bore dia: 16mm Application: polishingstainless steel metal marble glass ceramic Set of 2

<p>Nylon Hammer</p>		<p>3/4 Inch face Hammer with Removable head Head Material : Nylon Handle: Wooden Reputed standard make</p>
<p>Wire brush</p>		<p>Steel Wire Scratch Brush Bristle Type: Straight Wire Bristle Area: Min 5 X 14 Rows Reputed standard make</p>
<p>Scrubber Pad</p>		<p>Scrubber Pad, Size: 10 X 14 Cm Set of 6 Pcs Reputed standard make</p>
<p>Safety goggles</p>		<p>Wrap-around style with clear, impact-resistant lenses. Material: Polycarbonate lenses for durability and protection. Features: Anti-fog coating, adjustable strap, cushioned frame. Purpose: Shields eyes from debris, chemicals, and potential hazards in various work environments. Essential for eye protection and preventing injuries. Complies with safety standards to ensure proper protection. Reputed standard make</p>
