

Capital Goods & Strategic Skill Council

1. Proposed Training Calendar for New Certification – August 2025

Training Program for	Domain Job Role Name	Program Dates	Address	Name & Contact of the person in charge	Expected No Certification
Training of Trainer Program for new Trainers	1.Additive Manufacturing Design & Application Engineer (CSC/Q0420),2. Advance Mechatronics Engineer (CSC/Q0414),3. Digital Factory Automation Engineer (CSC/Q0415),4. IIOT Industrial System Architecture Engineer (CSC/Q0409),5. Industrial Automation Safety Engineer (CSC/Q0416).	From 15/08/2025 To 25/08/2025.	The training program will be delivered in a Hybrid mode.	Anand Mohan 8882907091 assessments1@cgssc.org	20 o 25

2. Proposed Training Calendar for New Certification – September 2025

Training Program for	Domain Job Role Name	Program Dates	Address	Name & Contact of the person in charge	Expected No Certification
Training of Trainer Program for a new Trainer	1. Predictive Maintenance Engineer (CSC/Q0902), 2. Robotics & Automation_PLC_SCADA_Engineer (CSC/Q0413), 3. IIOT Data Analytics Engineer (CSC/Q0504), 4. Robotics & Automation COBOTS Engineer (CSC/Q0505), 5. Augmented Reality System Designer (CSC/Q0410).	From 15/09/2025 To 25/09/2025.	The training program will be delivered in a Hybrid mode.	Anand Mohan 8882907091 assessments1@cgssc.org	<u>30</u>

3. Proposed Training Calendar for New Certification – October 2025

Training Program for	Domain Job Role Name	Program Dates	Address	Name & Contact of the person in charge.	Expected No Certification
Training of Trainers Program for New Trainers	1. Digital Twin Engineer (CSC/Q0411), 2. Welding Automation Engineer 3. Robotics & Automation Engineer 4. Metal Fabrication Engineer 5. Mechanical Automation & Maintenance Engineer	From 15/10/2025 To 25/10/2025.	The training program will be delivered in a Hybrid mode.	Anand Mohan 8882907091 assessments1@cgssc.org	30

4. Proposed Training Calendar for New Certification – November 2025

Training Program for	Domain Job Role Name	Program Dates	Address	Name & Contact of the person in charge	Expected No Certification
Training of Trainer Program New Trainer	1. Automated / Robotic Metal Fabrication Engineer, 2. Automated Metal Cutting Plasma Engineer 3. Predictive Maintenance Data Acquisition Engineer 4. Multi-Axis CNC Machine Engineer 5. Computer-Aided Tool & Die Design Engineer.	From 15/11/2025 To 25/11/2025.	The training program will be delivered in a Hybrid mode.	Anand Mohan 8882907091 assessments1@cgssc.org	- 25

5. Proposed Training Calendar for New Certification – December 2025

Training Program for	Domain Job Role Name	Program Dates	Address	Name & Contact of the person in charge	Expected No Certification
Training of Trainers Program for new Trainers	1. Advance Mechatronics Simulation Engineer 2. Advance Mechatronics- Designer and Planner 3. Additive Process Engineer 4. Welding Technician - Oil & Gas/Shipbuilding/Railways 5. Mechanical Engineering CAD	From 15/12/2025 To 25/12/2025.	The training program will be delivered in a Hybrid mode.	Anand Mohan 8882907091 assessments1@cgssc.org	25
